How to start?

IVF treatment usually requires two stays in Hungary; one at the time of first consultation (3 days) and one during the stimulation period of the cycle (14 days).

For the first consultation we recommend our, **"First visit package"** (at the same hotel) also on discounted rate.(£ 550/for two) For more information please contact us!

We arranged everything for your second visit to have low cost IVF treatment.

The only two things you need to do are:

- ✓ Call us to book the hotel for You, and the appointment at our Fertility Clinic
- ✓ Buy your flight tickets
Our patients book their own low cost flights. If you need any help to find the lowest prices go to www.smedicaltravel.co.uk/flights.html or contact us.
